January 22, 2020

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2018-19 educational progress for the Laker School District. The AER addresses the complex reporting information required by federal and some requirements of state laws. Our staff is available to help you understand this information. Please contact me or your building Principal for help if you need assistance.

The Laker Schools AER is available for you to review electronically by visiting <https://www.mischooldata.org/AER2019/CombinedReport2.aspx> , or you may review a copy in the main office at your child's school.

These reports contain the following information:

Student Assessment Data – Includes the following four assessments: M-STEP (Michigan Student Test of Educational Progress), College Board PSAT, MI-Access (Alternate Assessment), and College Board SAT. This report section presents assessment information for English language arts and mathematics for grades 3 to 8 and 11, and MI-Access science for grades 4, 7, and 11, compared to state averages for all students as well as subgroups of students. The report helps users to understand achievement performance within grades and schools, and to make comparisons to district, state, and national achievement benchmarks.

Accountability – Detail Data and Status

The accountability portion of the AER includes assessment proficiency and participation rates, graduation or attendance rates, as well as accountability index values showing school performance on a 0-100 scale.

Civil Rights Data

- Provides information on school quality, climate and safety

CENTRAL OFFICE

W. Brian Keim, Superintendent
Mike Klosowski, Chief Financial Officer
(989) 453.4600 ♦ FAX (989) 453.4609

Equal Opportunity Employer
www.lakerschools.org

Teacher Qualification Data

- Identifies the number and percentage of inexperienced teachers, principals, and other school leaders
- Reports teachers who are teaching with emergency or provisional credentials
- Includes teachers who are not teaching in the subject or field for which they are certified

NAEP Data (National Assessment of Educational Progress)

- Provides state results of the national assessment in mathematics and reading every other year in grades 4 and 8

Review the table below listing our schools. For the 2018-19 school year, schools were identified using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that has at least one underperforming student subgroup. An Additional Targeted Support (ATS) school is one that has a student subgroup performing at the same level as the lowest 5% of all schools in the state. A Comprehensive Support and Improvement (CSI) school is one whose performance is in the lowest 5% of all schools in the state or has a graduation rate at or below 67%. Some schools are not identified with any of these labels. In these cases, no status label is given.

School Name	Status Label	Key Initiative to Accelerate Achievement
Laker Elementary	No Status Label	General Student Growth
Laker Jr. High	No Status Label	General Student Growth
Laker High School	No Status Label	General Student Growth

We are very proud that our Laker Elementary, Junior High, and High School programs continue to demonstrate student growth. The success of our students is due to the work of our quality staff and support of our families and community. This work is never complete. It is a continual process of improvement to which we fully commit ourselves. As a school district, we are thankful to have such commitment and support from our community. Working together, our students will succeed!

Sincerely,

W. Brian Keim
Superintendent, EPBP Laker Schools
