To Whom It May Concern,

On March 23, 2020, Governor Whitmer issued Executive Order 2020-21 requiring Michigan residents to stay at home or their place of residence. The Executive Order, however, allows businesses like the Laker School District to continue to allow staff to report to work to conduct “minimum basic operations”. This is in Paragraphs 4(b) and 7(a)(3) of the Executive Order.

Laker Schools has designated the following employees as “essential” to conducting basic operations:

- Mike Klosowski, Chief Financial Officer
- Angie Dubs, Cher Sturm – Finance Office
- Jon Good, - Secondary Principal
- Jen Viers, Nicole LeVasseur, Lisa Beachy, Jeff Etzel – Secondary Operations
- Jill VerBurg – Elementary Principal
- Dee Esch, Becky Krohn – Elementary Operations
- Scott Miklovic – Campus Technology & Security
- Tom Armbruster, Sam Richardson, Steve VerBurg - Facilities & Operations
- Cinamon Marker – Food Service Director
- April Richardson, Leanne Chub, Jodi Judis, Alicia Apley, Connie Prill, Mary Weiderhold, Carla Gnagey, Tina Sears, Anne Ziel, Rachel Deming, Deb Russell, Sheila Yackle, other volunteers – Food Service Program

Please feel free to contact me with any questions or concerns at (989) 551-9245.
