

COVID-19 Preparedness and Response Plan

(Executive Order 2020-142 District Preparedness Plan Template)

Name of District: Elkton-Pigeon-Bay Port Schools

Address of District: 6136 Pigeon Rd, Pigeon, MI 48755

District Code Number: 32050

Web Address of the District: www.lakerschools.org

Name of Intermediate School District: Huron ISD

Name of Authorizing Body (if applicable):

Preparedness Plan Introduction

Governor Whitmer's [Executive Order 2020-142](#) "provides a structure to support all schools in Michigan as they plan for a return of pre-K-12 education in the fall. Under the order, school districts must adopt a COVID-19 Preparedness and Response Plan laying out how they will cope with the disease across the various phases of the [Michigan Safe Start Plan](#). In turn, the accompanying Michigan Return to School Roadmap offers a guide to the types of safety protocols appropriate during each phase. There's no one-size-fits-all solution: What works in Lansing may not work in Sault Sainte Marie. Districts will retain the flexibility to tailor their instruction to their particular needs and to the disease conditions present in their regions." (EO-2020-142)

Each district (public, public school academy (PSA), nonpublic, and intermediate school district (ISD) that educates pre-K-12 students) shall submit a single completed Assurance Document and Preparedness Plan to its Board in time for approval by August 15 or seven days before the first day of school, whichever comes first. This template, when completed, serves as a single Assurance Document and Preparedness Plan.

The Preparedness Plan will be collected by the Intermediate School District for public school districts, the authorizing body for public school academies, or the chief/designated school administrator for nonpublic schools for transmission to the State Superintendent of Public Instruction and State Treasurer by August 17, 2020. Additionally, this Preparedness Plan must be posted on the district's/PSA's, or nonpublic school's public website home page no later than August 17, 2020. A single application should be filed by the district rather than multiple applications for individual schools within a district.

Preparedness Plan Assurances

The District agrees to meet all of the following requirements of Executive Order 2020-142

- ✓ The District assures that when it provides in-person instruction to its students without disabilities, the district must also provide in-person instruction to its students with disabilities, consistent with their individualized education programs (IEPs).
- ✓ The District assures that when schools are closed to in-person instruction, districts must strive in good faith and to the extent practicable, based upon available resources, technology, training, and curriculum, as well as the circumstances presented by COVID-19, to provide equal access to any alternative modes of instruction to students with disabilities from birth through age 26. This assurance includes the provision of auxiliary services under section 1296 of the Revised School Code, MCL 380.1296.
- ✓ The District assures that while any state of emergency or disaster related to the COVID-19 pandemic continues, it shall comply with guidance from the United States Department of Education, including its Office of Civil Rights and Office of Special Education and Rehabilitative Services, and the Michigan Department of Education concerning the delivery of alternative modes of instruction to students with disabilities in light of the impact of COVID-19.
- ✓ The District assures that it shall, to the extent practicable and necessary, make individualized determinations whether and to what extent compensatory services may be needed for students with disabilities in light of the school closures during the 2019–2020 school year.
- ✓ The District assures that during **Phase 1, 2, or 3** of the *Michigan Safe Start Plan* it will close its buildings to anyone except: (a) District employees or contractors necessary to conduct minimum basic school operations consistent with a Preparedness Plan, including those employers or contractors necessary to facilitate alternative modes of instruction, such as distributing materials and equipment or performing other necessary in-person functions. (b) Food-service workers preparing food for distribution to students or their families. (c) Licensed child-care providers and the families that they serve, if providers follow all emergency protocols identified by the state.
- ✓ The District assures that during **Phase 1, 2, or 3** of the *Michigan Safe Start Plan* it will suspend athletics, after-school activities, inter-school activities, and busing.
- ✓ The District assures that during **Phase 1, 2, or 3** of the *Michigan Safe Start Plan* it will provide for the continued pay of school employees while redeploying staff to provide meaningful work in the context of the Preparedness Plan, subject to any applicable requirements of a collective bargaining agreement.
- ✓ The District assures that in **Phases 1, 2, or 3** of the *Michigan Safe Start Plan* it will provide for the continuation of food distribution to eligible students.
- ✓ The District assures that during **Phase 4** of the *Michigan Safe Start Plan* it will prohibit indoor assemblies that bring together students from more than one classroom.
- ✓ The District assures cooperation with the local public health department if a confirmed case of COVID-19 is identified, and agrees to collect the contact information for any close contacts of the affected individual from two days before he or she showed symptoms to the time when he or she was last present in school.

Preparedness Plan

Every district must develop and adopt a COVID-19 Preparedness and Response Plan (“Preparedness Plan”) that is informed by [Michigan’s 2020-21 Return to School Roadmap](#) (“Return to School Roadmap”) from the COVID-19 Task Force on Education and Return to School Advisory Council.

In accordance with Executive Order 2020-142 a plan must include all the following parts:

- A. The policies and procedures that the District will follow when the region in which the district is located is in **Phase 1, 2, or 3** of the *Michigan Safe Start Plan*.
 1. Describe how the district will offer alternative modes of instruction other than in-person instruction and a summary of materials each student and the student’s parents or guardians will need to meaningfully access the alternative modes of instruction included in the Preparedness Plan. If the Preparedness Plan relies on electronic instruction, the Preparedness Plan must consider how the district will aid students who lack access to computers or to the internet. This is also in the Continuity of Learning and COVID-19 Response Plan submitted in April. You may want to update and link to this plan in your response below.

District and Building Implementation Plan:

The district plans to use a mixed model of instruction using online learning platforms as the primary mode of instruction (i.e. Google Classroom, SeeSaw, Edgenuity, Michigan Virtual). For those students that do not have a device, the district will provide devices in grades 3-12. Devices will be provided for students in grades K-2 that do not have access to them at home, to the extent feasible. Students without devices or internet access will have access to instructional materials through a weekly instructional packet. Instructional materials (i.e. paper, pencils, etc) will be made available to families that do not have them. All students will have access to grade-level/course textbooks/resources as needed to complete their work. Students will not be penalized for inability to fully participate provided families stay engaged with school personnel in developing personalized and realistic education plans for their child. The district will do everything it can to meet student/family needs and allow for full participation.

Teachers/Staff will be expected to make weekly contact with students and have two-way communication. This may be done through the use of technology (i.e. virtual meeting, email, School Messenger) or through weekly phone calls. For students with technology access teachers will also communicate multiple times each week through the instructional platform (i.e. Google Classroom, SeeSaw), with an emphasis on continuing to build relationships and maintain connections. If students do not have access to technology, teachers will provide instructional packets that focus on essential content, building relationships, and maintaining connections. We will encourage relationships between students through technology (virtual meetings, email), by phone or text, or by having students write letters to classmates.

For students with technology access, content will be delivered through the online platform, Teachers will be accessible for synchronous instruction (virtual meetings/office hours) at least once per week and asynchronous instruction through pre-made videos/lessons multiple times per week. For those students without technology, the main mode of delivery will be through hard copy instructional packets. This will be supplemented with phone conferencing to support instruction. The instructional packets will be provided during meal distribution. Packets will be mailed or delivered to the student if they do not participate in meal distribution.

For students with technology access, teachers will monitor student access and assignment completion on a regular basis within the instructional platform (i.e. SeeSaw, Edgenuity).

Teachers will provide feedback to students on assignments through the instructional platform as they are completed. Teachers will differentiate instruction within the platform to meet each student's needs. For students without technology access, instructional packets will be collected each week during meal distribution. Teachers will review the instructional packet and provide feedback to the student during their weekly communication (phone call, virtual meeting, or email). Feedback from the teacher will include differentiated work as needed, along with examples to support student learning. An example of this may be providing a student that is struggling with double-digit subtraction additional practice and several written examples with the steps. A phone call would also be used as a follow-up if needed. If the student is not doing meal distribution or pick-up, packets may be mailed in to be returned (envelopes and postage would be provided by the district).

The plan will be communicated through our School Messenger communication platform, according to the preferences our parents/guardians have chosen in that system. Parents will receive an email with the plan attached, and/or a voice message and/or text message directing them to our district website where they can access. The plan will be posted in a prominent location on our district website, and a link will also be posted on our district and building Facebook pages.

For our students in dual enrollment courses we will be working with the provider to determine next steps. We will ensure that the students have the appropriate materials and support to complete these courses. The students will be given credit or no-credit. For students enrolled in CTE programs we will work with the CTE Principal/Director to ensure our students have the ability to complete these courses wherever possible. When needed, the district will ensure the student has the necessary resources.

If a student has access to technology, teachers will use the instructional platform to monitor student wellness, engagement, and completion of assignments. They will also keep a log of communication with students and families. If a student does not have access to technology, teachers will keep track of which students are completing the weekly instructional packets. They will also need to keep a log of all communication with students and families. Inconsistent completion and/or communication with a parent or student will be raised to the principal or counselor level to develop a plan to connect with the student and family. Additional support agencies may be sought to make these connections (DHHS, ISD supports etc.)

The district will remain in contact with parents to determine current mental health needs and provide an online form for parents/students to request support. Based on the survey results or form requests, counselors (school counselor, ISD supports) will reach out to individual students and families to determine what they may need. The counselors will help connect the family to outside agencies, if needed, to help meet their needs. Teachers will monitor and assess the needs of students and families through their weekly communications. If a need is identified, the teacher will elevate that need to the principal or counselor to make the necessary follow-up. The principal will hold weekly virtual meetings with teachers and other key staff to identify any additional students or families in need.

- B.** The policies and procedures that the District will follow when the region in which the District is located is in **Phase 4** of the Michigan Safe Start Plan. Those policies and procedures must, at a minimum, include:

1. Face coverings / PPE

- a. Please describe how the district will implement **requirements** for facial coverings that at a minimum require the wearing of face coverings, except during meals and unless face coverings cannot be medically tolerated, for:

- i) All staff and all students in grades preK-12 when on a school bus.
- ii) All staff and all students in grades preK-12 when in indoor hallways and common areas.
- iii) All staff when in classrooms.
- iv) All students in grades 6 and up when in classrooms.
- v) All students in grades kindergarten through grade 5 unless students remain with their classes throughout the school day and do not come into close contact with students in another class.

Return to School Roadmap (p. 22)

District and Building Implementation Plan:

- The expectations for the wearing of face coverings and how to obtain clean face coverings will be included in communications to parents, and by other means such as handbooks, student orientations, and staff trainings. (Aug. 1 - Aug. 30)
- Students and parents will sign-off on their awareness of mask and hygiene policies before the students are permitted to enter the classroom on the first day of school. (Aug. 1 - Aug. 30)
- Building, grounds, and transportation signage will be prominent throughout school facilities and clearly identify who is required to wear face coverings in each designated area of the building, grounds, or bus. (Completed by Aug. 22)
- Fabric face coverings will be ordered and provided to students, staff, and visitors who enter campus without one of their own. These will be placed on busses and in the classrooms every evening by the custodial and transportation staff. (Delivery taken by Aug. 22)
- Fabric face coverings will be provided to preK-12 teachers (or expense reimbursed if they've purchased their own) with the requirement to wear the mask during instruction. Teachers at any grade level may request a clear face covering if they so choose. (Delivery taken by Aug. 22)
- Face coverings will be turned in at the end of the day (in some cases these will need to be collected by bus drivers as students exit the bus.) (Daily beginning on the 1st day of school)
- Face coverings will be washed daily by the custodial staff and stored appropriately for distribution. (Daily beginning on the first day of staff reporting)
- Individuals (staff or students) who claim medical exemption will need to meet with the district Health Safety Team/Principal/School Nurse to provide rationale and documentation from their healthcare provider. (Begins Sept. 8 and continues throughout the school year)
- Exempted individuals will be recorded in a master database and issued a sticker to display on their student or staff ID indicating this exemption.
- PreK-5 students will not be required to wear a face covering once they are situated in the classroom unless the classroom activity places them in close (2 feet or less) proximity to other students.
- Students who are capable of wearing a face covering and refuse to do so in an area where a face covering is required will be issued a face covering by a school official (teacher, paraprofessional, administrator, school safety staff, playground aid, etc.) and asked to put the face covering on. The instance will be documented as a log entry in Skyward.
- Students showing patterns of non-compliance will be removed from the school building and placed into remote instruction until the student agrees to comply with this safety protocol. Parents will be notified of each instance of non-compliance by the administration or school safety officer. Continue removals from the school building will result in permanent placement into remote instruction with the student being banned

from coming to the school site.

- Staff members who are capable of wearing a face covering and refuse to do so will be addressed by the school administrator and could face progressive disciplinary measures up to and including termination.
- Guests to the school building (presenters, substitute teachers, etc) will be issued a disposable face covering upon signing in at the main office and will be instructed to wear the face covering at all times. Instances of non-compliance will result in the guest being escorted from the building by the school safety officer or building administrator.
- In instances of uncertainty about individuals not wearing face coverings, these matters will be relayed to the building administration for review and decisive action.

2. Hygiene

Please describe how you will implement the **requirements** for hygiene protocols from the *Return to School Roadmap* (p. 22-23).

District and Building Implementation Plan:

- Every classroom will be supplied with a fixed or portable hand sanitizing station.
- Supplies (paper towels, soap, hand sanitizer, tissues, trash receptacles) will be checked daily and restocked in the classroom.
- Teachers will contact the office immediately if supplies run out during the school day.
- Each classroom will have a hygiene protocol with timelines that are posted and communicated via newsletters, web pages, bulletin boards, and the like. It will include
 - Hand-washing schedule
 - Room and materials cleaning schedule
- Teacher or school nurse will teach the following to students on the first day of school and reinforce weekly or more often as needed (this may be done via video)
 - proper handwashing on the first day of school and reinforce weekly or more often if needed
 - how to cough and sneeze into their elbows, or to cover with a tissue and dispose of it in the trash
- Proper mitigation strategies including hand washing and sneezing will be communicated to families via newsletters, web pages, bulletin boards, and the like. Parents and caregivers will be asked to review and reinforce with their students.
- Custodial staff will
 - Procure adequate soap, hand sanitizer, paper towels, tissues for the start of school by August 22.
 - Post signage related to cleaning and hygiene strategies in each room, restroom, throughout the hallways by August 22
 - Monitor hygiene supplies and refill as needed three times daily
 - Procure hand sanitizing stations as deemed necessary during walk-through with building leader by August 1.
- Sharing school supplies will be limited, and each student will have their own supply of materials.
- A list of these supplies will be generated as appropriate for each grade level and or specific middle school or high school course and posted to the school website.

3. Cleaning

Please describe how you will implement the cleaning **requirements** for cleaning protocols from the *Return to School Roadmap* (p. 27).

District and Building Implementation Plan:

- District Level Administrators and Building Operations will meet to review all guidance related to cleaning and disinfecting of buildings and to review the Building Operations the MI Safe Schools: Michigan's 2020-21 Return to School Roadmap.
- An inventory related to all cleaning supplies that are in compliance with the EPA-approved related to COVID will be taken and orders will be made to address increased cleaning protocols.
- Cleaning stations will be identified around the building that hold materials for usage in different wings. I.e. Curriculum closet in third grade hallway, gym storage room, custodial closet in 5th grade hallway.
- All classrooms will be provided spray bottles with EPA-approved disinfectant, paper towels, face shield and gloves in order to address new cleaning protocols. Staff must wear gloves, a mask and face shield when cleaning.
- Each building custodial team and administrator will tour their building and identify areas of frequent usage throughout the building. A map will be created and kept secure in the head custodian room and office to ensure compliance when custodial substitutes are in the building.
- Custodial staff will walk the building wiping all high frequency usage areas at 7:00 a.m., 10:00 a.m. 1:00 p.m, 4:00 p.m and following any evening activities in the building. Staff will note the time and date and initials on a chart that is kept daily.
- All special classrooms i.e. art, music, gym and media centers will have EPA-approved cleaning supplies stored in the classroom away from students. The teacher of record for the area will wipe down all frequently used materials after each class has exited with EPA-approved disinfectant. This will occur prior to the entrance of the next class.
- Classroom teachers and/or students will wipe down the students desks every time students exit the room at the elementary or after every period at the secondary level with EPA-approved disinfectant. Locked storage units with ventilation for cleaning materials will be available for all staff as needed. All classrooms will have the appropriate EPA-approved disinfectant in their rooms.
- Playground equipment will be cleaned twice a week.
- Training on cleaning materials and protocols will be provided to the staff through a virtual meeting the first week of school. This training will show the use of PPE when cleaning, protocols for the classroom and storage of cleaning materials.

4. Athletics

Please describe how you will implement the **requirements** for athletics protocols from the *Return to School Roadmap* (p. 27).

District and Building Implementation Plan:

- District will comply with all guidance published by Michigan High School Athletic Association (MHSAA) and the National Federation of State High School Associations (NFHS).
- Students, teachers, and staff will use proper hand hygiene techniques before and after every practice, event, or other gathering. Every participant must confirm that they are

healthy and without any symptoms prior to any event.

- All equipment will be disinfected before and after use.
- Inter-school competitions may be held provided that, facial coverings are worn if school transportation is provided. Buses must be cleaned and disinfected before and after every use, as detailed in the subsequent “Busing and Student Transportation” section.
- Spectators will be allowed provided that facial coverings are used by observers and six feet of social distancing can be maintained at all times. Attention will be given to entry and exit points to prevent crowding.
- Each participant must use a clearly marked water bottle for individual use. There should be no sharing of this equipment.
- Handshakes, fist bumps, and other unnecessary contact will not occur.
- Indoor weight rooms and physical conditioning activities that require shared equipment will be suspended. Outdoor physical conditioning activities will be allowed while maintaining social distancing.
- Large scale indoor spectator events will be suspended. Large scale outdoor spectator or stadium events will be limited to 100 people, and people not part of the same household must maintain six feet of distance from one another

5. Screening

Please describe how you will implement the **requirements** for screening protocols from the *Return to School Roadmap* (p. 24).

District and Building Implementation Plan:

- A copy of our screening and exposure plan will be submitted to the County Health Department. This plan will be reviewed by the Health Department along with the status of any referrals from the prior month.
- Each school building will identify a remote and secluded room, no smaller than 100 square feet to serve as an isolation area. This room will be outfitted with appropriate PPE including gowns, face shields, N95 Masks, gloves, sanitizing wipes, portable two-way radios, an internet-connected computer, log sheets, and video surveillance.
- Each building will have an identified and trained staff person to serve as the “quarantine officer”. These duties will take precedence over any other responsibilities and therefore this individual must have the flexibility to leave their regular assignment at a moment’s notice.
- From the time of identification of potential infection, the student will not be left unattended by the quarantine officer and a log sheet of activity will be maintained at 5-minute intervals until the student or staff member is safely removed from the building.
- Parent communication will be made immediately with clear and concise directions on where and how to pick up the student and where to report for testing.
- A designated person (office staff) will contact the student/family each day after removal until test results are provided and verified before the student can return to school.
- During the time of quarantine, the student will be asked to self-identify the location and individuals they came into contact with for the past 48 hours to the best of their recollection. Priority will be placed on those individuals that they were in contact with for a sustained 15 minutes or more.
- The health department will be contacted after parents have been contacted to assist in contact tracing and notification of vulnerable individuals.
- All school staff will be required to conduct a health safety self-assessment at home

prior to coming to work.

- Staff who are unable to work due to displaying COVID-19 symptoms will be required to report to their building administrator immediately who will direct any symptomatic person to the building health clinic for direction on where, when, and how to get tested and to report those results back to the school as soon as available.
- Positive tests for staff members will result in a required quarantine away from school for 14 days. Days of quarantine for COVID-19 positive results will NOT count against employee sick time allocations.

6. Testing

Please describe how you will implement the **requirements** for testing protocols from the *Return to School Roadmap* (p. 25).

District and Building Implementation Plan:

- Note: These tasks depend heavily on recommendations from our county health department and we will continue to consult with those officials in your area to identify and implement the appropriate action steps.

7. Busing and Student Transportation

Please describe how you will implement the **requirements** for busing and student transportation protocols from the *Return to School Roadmap* (p. 28).

District and Building Implementation Plan:

- Contact will be made to all transportation companies that support the district to ensure that they have received a copy of the criteria in the MI Safe Schools: Michigan's 2020 Return to School RoadMap.
- A weekly meeting will be held with district transportation supervisors or contracted transportation departments to review the criteria required for level IV and discuss concerns or issues arising.
- A breakdown of the aforementioned items will be presented to contracting companies to ensure that they can comply with the items required.
- Signage will be added to each bus to address the use of face masking of all students and drivers, use of hand sanitizers and cleaning protocols.
- Districts relying on their own transportation will assess the number of buses that may be on the road and re-evaluate weekly based on student participation rates.
- Begin the ordering of hand sanitizer and supplies in which to brace/mount the hand sanitizer at the entrance of each bus.
- An ordering plan and schedule to obtain cleaning supplies in compliance with the CDC that can be utilized in the cleaning of the bus between routes and the wiping down of frequent areas of contact has been developed.
- Busses will be properly cleaned after the departure of the last child from each run once the bus has returned to the transportation garage. Logs and video will be maintained for a period of 90 days.
- Face masks will be available at the entrance of the bus in the event that a student does not come to the bus equipped with the necessary item.

- Communication will be sent out to families related to the mandatory nature of wearing a face mask on the bus and that all staff and students, if medically feasible, must wear it in order to be transported, unless “It is determined on a case by case basis that it is not safe for the bus driver to wear a facial covering.”
- Communication documents will be developed to enable the drivers of the buses to know what the safety plans are for any specific students and who for medical reasons will not be wearing a face mask.
- Professional development will be required for all bus drivers related to the changes including the appropriate usage of face masks and policies regarding the requirement of their usage on the bus, hand sanitizing, and cleaning protocols to address the cleaning and disinfecting of the bus before and after every route. A check sheet with time and date of each cleaning will be provided to staff to complete each time the bus is cleaned.
- Bus drivers, weather permitting, will keep windows open on the bus both in route and when stopped.
- On those buses with specialized transportation and equipment needs, bus aides or drivers will wipe down the equipment upon entrance to the bus. This will be noted in the cleaning log.

8. Food Service, Gathering and Extracurricular Activities

Please describe how you will implement the **requirements** for various gatherings from the *Return to School Roadmap* (p. 26).

- Indoor assemblies that bring together students from more than one classroom are prohibited.
- Classrooms or outdoor areas will be used for students to eat meals at school whenever possible.
- If cafeterias must be used, meal times will be staggered to create seating arrangements with six feet of distance between students.
- Serving and cafeteria staff will use barrier protection including gloves and masks.
- Students, teachers, and food service staff should wash hands before and after every meal.
- Large scale assemblies of more than 50 students will be suspended. Off-site field trips that require bus transportation to an indoor location will be suspended.
- Recess will be conducted outside whenever possible with appropriate social distancing and cohorting of students.
- When possible and necessary, school-supplied meals will be taken/delivered to classrooms with disposable utensils.
- When possible and necessary, telecasting of assemblies and other school-sanctioned events will be offered.
- Extracurricular activities may continue with the use of facial coverings and other safety protocol as deemed appropriate by administration.

9. Instruction

Please describe how you will implement the **recommendations** for Instruction from the *Return to School Roadmap* (p. 30-32).

- Laker Schools will do everything in its power to provide every student with access to a high quality education.
- Training will be provided to ensure that teachers are well prepared for in-person, hybrid, and remote instruction.
- Technology will be made available to every student.
- Internet access will be made available to every student.
- Staff will communicate with parents to ensure that their needs are being met.
- Administration will remain flexible and responsive to the needs of families in the District.

C. the district is located is in Phase 5 of the Michigan Safe Start Plan.

Protocol described in Phase 4 will become optional among staff and students. Any new protocol will be developed in consultation with local health officials and District's legal counsel.

1. Indicate which highly recommended protocols from the *Return to School Roadmap* the district will include in its Preparedness Plan when the region in which the district is located is in **Phase 5** of the *Michigan Safe Start Plan*.

Protocol described in Phase 4 will become optional among staff and students. Any new protocol will be developed in consultation with local health officials and District's legal counsel.

2. Indicate which highly recommended protocols from the *Return to School Roadmap* the district will not include in its Preparedness Plan when the region in which the district is located is in **Phase 5** of the *Michigan Safe Start Plan*.

Protocol described in Phase 4 will become optional among staff and students. Any new protocol will be developed in consultation with local health officials and District's legal counsel.

D. After considering all the protocols that are highly recommended in the *Return to School Roadmap*, please indicate if a school plans to exclude protocols that are highly recommended for any of the categories above in **Phase 4**.

Yes, protocol described in Phase 4 will become optional among staff and students. Any new protocol will be developed in consultation with local health officials and District's legal counsel.

Final Steps for Submission

Each district shall submit a single completed Assurance Document and Preparedness Plan to its Board of Education (in the case of a PSA, the Academy Board of Directors; in the case of a nonpublic school, the chief or designated school administrator) in time for approval by August 15 or seven days before the first day of school, whichever comes first.

Date of Approval by the District Board of Education, PSA Board of Directors, or nonpublic school chief/designated school administrator:

July 20, 2020

Link to the Board Meeting Minutes or Signature of Board President, or signature of nonpublic school chief/designated school administrator:

<https://lakerschools.org/administration/>

Link to the approved Plan posted on the District/PSA/nonpublic school website:

<https://lakerschools.org/administration/>

The Preparedness Plan will be collected by the Intermediate School District for public school districts, the authorizing body for public school academies, or the chief/designated school administrator for nonpublic schools for transmission to the State Superintendent of Public Instruction and State Treasurer by August 17, 2020. Additionally, this Preparedness Plan must be posted on the district's/PSA's, or nonpublic school's public website home page no later than August 17, 2020.

Name of District/PSA/Nonpublic Leader Submitting Plan:

W. Brian Keim, Superintendent

Date Received by the ISD/Authorizing Body/Chief or designated School Administrator:

Date Submitted to State Superintendent and State Treasurer:
