Teachers and School Support Staff,

Public Act of 2020 was passed to recognize additional time spent outside of the normal working hours, hazardous conditions, and additional costs teachers and support staff have incurred or experienced to provide services to students during the period of school closure in 2019-2020 as a result of the COVID-19 pandemic. This grant opportunity has allocated \$500 per K-12 classroom teacher and \$250 per support staff employee. Eligible grant recipients have been identified by the district and have received an email with the application, Form 5734. Some employees without email access have received the form delivered to them in person and/or by mail. Checks will be mailed out on or around February 25, 2021 from the Michigan Department of Treasury.

Please contact Michael Klosowski, Chief Financial Officer to appeal if you did not receive an email or received the form and believe you should have been eligible for this opportunity. The deadline to appeal eligibility is December 4, 2020.

Thank you,

Mike Klosowski
