Dear Laker Family,

Greetings to you on this Friday. I am writing with an update on new COVID-19 cases in the district. We were informed last night of another positive case with an elementary student, and this morning with a member of our support staff. A message has been sent to families in the affected grade level of the student and the Health Department is conducting tracing protocol on the staff member. We will keep you updated with any new information.

Thank you for your extra work and support with our students as they learned from home this week, and please let us know if there is anything we can do to improve your experience next week. We wish you a good and safe weekend.

Sincerely,

Brian Keim  
Superintendent, Laker Schools
