

LAKER ATHLETICS

Parent Consent Transportation Form

To ensure that all Laker Athletes are provided a safe transportation to and from athletic contests they must travel to away games via school approved transportation. Laker athletes may be allowed to travel home after a contest with a parent or guardian, if they have prior approval. Athletes wishing to ride home must have a transportation form signed before the event and have his/her coach's consent. The only acceptable adult to transport athletes after a contest are parents/guardians or adults that have received prior approval. It is the athlete's responsibility to secure a signed transportation form prior to the contest and to make contact after the contest with the coach to show him/her that they are leaving with an approved adult.
