I. Objectives of Instruction

The Elkton-Pigeon-Bay Port Laker Schools’ educational program is designed to provide every student of our school system a basic academic skill program. The teachers of Laker Secondary School will broaden those skills into areas of interest and future need. Academics, vocational training, extra curricular activities and civic participation are all important parts of the secondary school program; we at Laker Secondary Schools will make every attempt to see that our school programs meet the needs of its students.

In return, the students, regardless of age, and with the support of parents have the responsibility of regular school attendance, conscientious effort in classroom work and conformance to school rules and regulations. Most of all, the parents share, with the students and teachers, the responsibility to maintain a climate conducive to wholesome learning and living.

II. Laker Secondary Family

The Laker Secondary family is looking forward to the new school year. The rules and guidelines are created by a committee made up of students, parents and teachers. The handbook is then sent to the Board of Education for approval. The Board of Education then mandates the Principal to administer these rules as fairly as possible for the best interest of the student and the school.

III. Parents’ Responsibilities

The handbook should be used as an aid for parents to assist their children in understanding the rules and regulations that govern the day-to-day operation of Laker Secondary Schools. Parents, you are important to the faculty and administration of the Secondary School. We will strive to make your children’s years at Laker Secondary Schools successful and rewarding.

Elkton-Pigeon-Bay Port Laker Schools provide equal opportunity for all people regardless of race, color, national origin, sex, handicap, religion or marital status.

All seniors are adorned in their caps and gowns. Special honors and awards are presented with diplomas and achievement certificates. All graduation requirements must be fulfilled in order to participate in commencement.
- 2. Students participating in graduation exercises must have been enrolled in a satisfactory number of credits during second semester, unless approved by the board. The students must meet all attendance and credit requirements, complete any

outstanding discipline situations and return all books, equipment, uniforms and pay all fines/fees before they receive their diploma.

3. All honors are determined by grades completed through the senior's seventh (7) semester. This includes class ranking and valedictorian and salutatorian awards. TV5 recognition will be the top two (2) honor students as determined by class rank at the end of seven (7) semesters. Publications will have honor student recognition.
4. The commencement ceremony is a dignified service which implies the need for respectful behavior and dress. It is expected that seniors comply with appropriate behavior and dress standards for the commencement ceremony.

C. HONOR ROLL

1. An honor roll for academic achievement will be published at the end of each nine-week marking period. In order to make the honor roll, a student at Laker Secondary Schools must accumulate a 3.0 grade point average for the marking period in which the honor roll is taken.
2. An "incomplete" received during the marking period will be counted as an "F" for honor roll purposes.
3. Seniors who have maintained a 3.0 over-all average during high school will receive special recognition prior to their graduation.
4. Seniors are eligible for Academic All-Conference competition based upon their GPA and MME scores. The five highest ranking Seniors will be nominated.

D. INCOMPLETES

1. When a pupil is ill or has a legitimate reason for being behind in his work, he/she may be marked "incomplete" ("I" on the record) with the understanding that the work will be completed within ten school days.
2. If the work is not completed on time, the grade "F" will be given. (This does not apply at the close of school in June when no incompletes will be accepted without the approval of the Principal.)

E. CLASS CHANGES

1. Students and parents must understand that classes are planned and teachers' schedules developed on the basis of subjects selected by the students during class registration. The subjects selected by the students and approved by the parents will comprise the student's schedule for the following year. Classes, once started, should not be changed.
2. If a special situation dictates a change in schedule, the student should see his counselor for advice, and request the change be approved by the Principal. The official drop/add of classes and schedule change date will end five days after the beginning of each semester. Classes dropped after the end of the first and third marking period will receive an "F" grade.

F. HIGH SCHOOL NATIONAL HONOR SOCIETY SELECTION

1. After one year of study at Laker High School, any student who has earned a GPA of 3.5 is eligible for NHS and will be placed on a qualifying list. Qualified students will be given a Service-Character-Leadership Application to be returned to the NHS Advisor.

NHS School Sponsored Activities are service activities that are approved and advertised through your adviser. Members will be notified of any upcoming NHS School Sponsored Activities through the Remind App. In addition, students must continue to display appropriate leadership and good character in and out of the classroom.**

G. REPORT CARDS

1. Report cards are issued four times a year at the conclusion of each nine-week marking period. Report cards will use the grade symbols: A, A-, B+, B, etc. Pluses and minuses will be used to determine honor rolls and grade point averages. The report card will include comments and attendance.
2. Progress Reports will be **emailed and made available via Skyward** during the fifth week of the marking period. This report is intended to give students/parents an indication of the progress and the attendance in a given class.

H. GRADING POLICY

Students will be graded on straight percentages in conjunction with the following:

1. Marking periods and End of Course Authentic Assessment* will be weighted 2/5 (40%), 2/5 (40%), 1/5 (20%).
2. A failing grade in a marking period will be given a weight of no less than 40% (safety net for extreme circumstances)

**End of Course Authentic Assessment* - At the end of each semester, students will be required to demonstrate their understanding of the course objectives in an End of Course Authentic Assessment, which may include:

- A project
- A presentation
- A performance assessment

I. ACADEMIC ELIGIBILITY AND TUTORING

1. Beginning at 9:00 a.m. each Friday, calls will go out to alert parents if their student is on the "Caution List" (C- to **D-**), or the "Ineligible List" (F) in any class for the following week.
2. If your student is on the Ineligible List, he/she must attend at

least two (2) Mandatory Tutoring Sessions /(7th Hour) the following week, offered after school on Monday through Thursday. Morning sessions are available. You may contact the office by 12 pm noon if transportation for your High School student is needed and we will arrange and pay for a TAT bus to bring your student home.

3. Once a student has become ineligible, they may regain eligibility by raising their grade back into the eligible range ("**D-**" or above). When this happens, the student may pick up a "Student Eligibility Form" from the office, get the signature of the teacher in the respective class, and take the completed form to the Student Responsibility Center (SRC). Student Eligibility Forms must be submitted to the SRC by the end of the school day on Wednesday for eligibility to be reinstated for that week.
4. If a student fails to meet the tutoring requirement, they will be assigned Lunch Detention the following week until the grade is above 60%. If a student fails to meet the Lunch Detention requirement, they will be assigned a Saturday School session. If a student fails to attend Saturday School, they will be placed in In-school suspension (ISS). It is our hope that every Laker student will maintain passing grades throughout the school year.
5. An "Ineligible" student is not eligible to participate in Laker Athletics, School Activity (SA) events, Open Campus (seniors), or monthly Pride Assemblies.

J. ATTENDANCE POLICY

In compliance with the laws of the State of Michigan, Laker Secondary School requires and promotes regular attendance for the young people in its district. Because of the high priority placed on attendance, the administration and teachers seek parent involvement in this important responsibility. The following information outlines the attendance policy:

1. Students are expected to attend all classes, **every** day in order to maximize **every** opportunity for success in school. By adhering to the attendance policy the students will also gain valuable training for future employment situations.
2. Laker teachers and administration will provide incentives and recognition programs for those students who have demonstrated consistently good attendance.
3. In the event of an absence, parents will receive an automated call from School Messenger, confirming their student's absence from school.
4. Attendance violations, such as skipping class, will result in disciplinary action.
5. If a student is fifteen (15) minutes late for any class or if the student must leave any class fifteen (15) minutes early, then a student will be marked absent for that class period.
6. In the case of ongoing illnesses, and at the discretion of administration, single-visit doctor's visits may be waived for make-up purposes, provided the student has a strong record of conduct and academic performance.

7. Future Education Days--If a student needs to visit a college, university, trade school, or the military he can have one (1) day during his junior year and two (2) day during the senior year for that purpose. These days will not count toward a student's overall attendance record. A verification slip must be turned into the main office after the visit.
8. Absences that result from school-related activities are allowed provided the activity leader gives school personnel one (1) week advance notice. Students need to secure work assignments before the activity. Student Activity days (SA) will not be counted in a student's marking period total.
9. Students will be allowed to miss no more than (10) days per Semester in order to earn credit for each class. Students will be required to make up time over (10) days in each class at the end of each Semester.
10. Truancy will be reported to Huron County Probate Court for any student who reaches five (5) absences in a calendar month, or 12 absences within a semester. Extreme or extended medical situations may be subject to a waiver, pending proper medical documentation and administrative approval.
11. Make-up time will be waived for students who have received no discipline referrals and have a grade of B+ or above in all classes at the end of each Semester.
12. If the student is under **18** years old and is not in compliance with the attendance policy a referral to the truant officer and Juvenile Court will be made for the student.
13. It is the student's responsibility to obtain his assignments upon return to school from an absence. The student will be given one day for each day absent to hand in work. The Attendance Appeal Committee will evaluate any extenuating circumstances for absences. A parent/guardian may initiate a request for a hearing by completing the hearing form. The parties will meet and a decision will be rendered based on the information provided by the participants.
14. A note or phone call must be given to the office for any late arrival or early departure. A parent must sign their child out when taking them from the building during the school day.
15. Doctor's slips are required for any attendance appeal involving extended or repeated absence from school.

K. TARDY TO CLASS

1. A student will be tardy for a class after the final bell has sounded. The following disciplinary action will take place:
 - a. 1st tardy Teacher warning
 - b. 2nd tardy Teacher warning
 - c. 3rd tardy lunch detention assigned
 - d. 4th tardy 2 lunch detentions assigned
 - e. 5th tardy In School Suspension
 - f. 6th tardy In-School Suspension and parent meeting

L. DISCIPLINE

1. Philosophy

The objective of student discipline is to produce a school environment where attention may be directed toward teaching-learning activities. The teaching staff and administration believe students are motivated to learn and meet acceptable standards of behavior. The role of the school shall be one of guiding the students in understanding and maintaining the standard set for the students of Laker Secondary Schools. Ultimately, the discipline program is designed to help young people develop into responsible, productive, self-disciplined citizens. Laker students, regardless of age, are expected to adhere to the rules and regulations outlined in our handbook.

2. RTP—Responsible Thinking Process

Our entire school district has adopted a student behavior/discipline program called the Responsible Thinking Process that emphasizes the student’s responsibility in making good decisions, minimizing disruptions in the classroom, and reflecting on his/her behavior to make appropriate changes for the future. We believe that all students have the right to learn in an environment free of disruptions and distractions. We also believe that students are responsible for their own actions and must be taught to respect the rights of others. The RTP will help facilitate this teaching.

If a student disrupts class, the teacher will ask a series of questions to help make the student aware of the inappropriate behavior, take responsibility for the behavior, and choose whether or not to repeat the behavior. If the student does repeat the behavior at another point in the class, this will indicate that the student has chosen to be removed from class. At this point, he/she would be sent to the Student Responsibility Center.

3. The Student Responsibility Center (SRC)

In the SRC, students are given an opportunity to learn from their mistakes by reflecting on their inappropriate behavior. The SRC Coordinator will give them a Student Behavior Form to fill out, which will aid them in thinking through the events that led up to their SRC visit. After the form has been filled out and approved by the SRC Coordinator, the student will be asked to call home and make his/her parent aware of the situation at hand. This is done so that parents will have an opportunity to reinforce the school’s efforts to teach appropriate behavior skills. Finally, the student is responsible for meeting with the classroom teacher to “negotiate” their way back into the classroom. This meeting should happen after school that day or before school the following morning.

The SRC is not intended to be a place of punishment, but a place of learning. However, if a pattern of misbehavior develops and a student is sent to the SRC on multiple

occasions, the following consequences will be enforced:

- 1st, 2nd, 3rd SRC Visit:** Fill out plan, contact parent, negotiate with teacher
4th SRC Visit: One day of in-school suspension, meeting scheduled with parent
5th SRC Visit: In-school suspension until parent meeting
6th SRC Visit: Out- of –school suspension for 1-3 days, meeting scheduled with parent to discuss alternative educational delivery options.

SRC visits are tallied for each 9 week marking period. At the end of each marking period, students are given a fresh start.

4. Disciplinary Action / Due Process

- a. When a student does not meet acceptable standards of behavior, the student faces disciplinary action. All disciplinary action will be based upon whether the violation is the first or second offense, and on the type and severity of the problem. The types of action **may** take the form of, but are not inclusive of: verbal warnings, written warnings, removal from classes or activities, SRC, letters to parents, parent telephone contacts, after school detention/(7th Hour) short or long term suspensions from school for up to 10 days, in-school suspension, parent conferences, Saturday morning detentions, community service opportunities, and referrals to the juvenile court system by Petition of Incorrigibility to the Quiet Room, or expulsion.
- b. The disciplinary authority (e.g.: bus driver, classroom teacher, principal) shall display professionalism, discretion, reasonableness and fairness. When a student is sent to the office with a discipline referral, the administration will follow due process by explaining the nature of the charge to the student and the basis for the disciplinary action that could be taken. The student has the right to explain or add any information to support his case. Once disciplinary measures are administered, the student and/or parent may request a conference with the administrator involved or with the next level of authority.

5. Expulsion

- a. Expulsion is the most serious type of disciplinary action that may be recommended by the administration to the Board of Education for action. Because the result of an expulsion is a long term separation of the student from the academic environment, it is reserved for the most severe and most persistent forms of misconduct.
- b. The following procedural outline shall be abided by in the event that a student is recommended for expulsion.
 - (1.) Written notice of the charges against a student shall be supplied to the student and his parents

(guardian) by registered mail. Included within this notice shall be a statement of the time and place for the hearing which is reasonable for all parties involved.

- (2.) Parents or guardian may be present at the hearing.
 - (3.) The student and his parents or guardian may be represented by legal council.
 - (4.) The student shall be given an opportunity to state his version of the facts. The student will be allowed to offer the testimony of other witnesses and present any other pertinent information.
 - (5.) The student, his parents, (guardians or legal agent) shall be allowed to observe all evidence offered against the student. In addition, the concerned parties shall be allowed to question any witness.
 - (6.) A record shall be kept of the hearing.
 - (7.) The Board of Education, by majority vote, shall state, within a reasonable time after the hearing, its findings as to whether or not the student charged is guilty of the conduct charged and its decision as to expulsion. A majority vote of the Board must be obtained from those present at the hearing.
 - (8.) The hearing authority findings shall be reduced to writing and sent to the student and parent or guardian.
 - (9.) The student, his parents or guardian shall be made aware of his right to appeal the decision of the Board of Education to the appropriate judicial authority.
- c. In the case of a suspension of more than 10 days or expulsion the Administrator must consider the following factors:
1. The students age
 2. The students disciplinary history
 3. Whether the student has a disability
 4. The seriousness of the violation or behavior
 5. Whether the violation or behavior committed by the student threatened the safety of another student or staff member
 6. Whether restorative practices will be used to address the violation or behavior
 7. Whether a lesser intervention would properly address the violation or behavior
- Once these factors have been considered, it may still be appropriate for long-term suspension or expulsion to take place. This decision lies with the Administrator.

It should be noted that violations involving weapons, arson, and criminal sexual conduct are grounds for immediate expulsion. There are certain exceptions where weapons are involved, pertaining to knowledge and intent of the possession.

(for students in sixth grade or above verbal or physical assault is also grounds for expulsion)

6. Minor Violations

The following behavior shall be grounds for disciplinary action of less than suspension status. (If the behavior is excessive, a parent conference or a suspension of up to five (5) days is in order.) Disciplinary action may involve verbal or written warnings, extra assignments, after school *seventh hour detention*, SRC, parent telephone contacts, and/or Saturday morning detention. A student's past disciplinary record will be considered. The list of infractions highlighted below or the types of disciplinary actions cited above are not inclusive and will be considered grounds for disciplinary action while the student is under the jurisdiction of the school (Example: in class, at school sponsored activities, on field trips and at athletic events):

- l. **Academic Timeout:** If Academic Detention is not served, a 'Timeout' will be assigned, which is the equivalent of one day of in-school suspension, to be served on a designated day that same week, typically Friday. In addition, if a student earns three (3) Academic Detentions within a reporting period (4-5 weeks) will result in an Academic Timeout. If Timeout is not served, further disciplinary action will follow, including possible suspension from school.

8. Major Violations

The following behavior shall be grounds for suspension of one to ten (1-10) days in length, and possible recommend action for a Quiet Room experience and/or expulsion. The police may be called for certain offenses. In determining the penalty for the offenses, the administration will consider whether the violation is the first or second offense, and the type and severity of the violation. A student's past disciplinary record will also be considered. The types of misconduct listed below are not inclusive and will be considered grounds for disciplinary action while the student is under the jurisdiction of the school (Example: in class, in school, at school-sponsored activities, on field trips, at athletic events).

M. BREATHALYZER POLICY

Each school year administrators are confronted with the problem of students who are under the influence of alcohol in the school setting. Use of alcohol by students has occurred during the school day and at extra-curricular activities. In schools that use alcohol testing procedures (breathalyzers) there has been significant decrease in the use of alcohol during the school day and at extra-curricular activities. Breathalyzers have been an effective deterrent to alcohol use in schools.

The handbooks states that Laker students shall not possess or

use alcohol in any amount on school premises, at school activities or at extra curricular activities. A student who is suspected of alcohol use in any amount will be subject to a breathalyzer test. Refusal to take the breathalyzer will result in automatic discipline for alcohol use. Besides using the breathalyzer to determine alcohol use traditional observable behaviors such as impaired speech, impaired physical coordination, glazed eyes and/or alcohol on the breath will continue to be used as criteria for determining alcohol use. The breathalyzer will be administered by individuals trained in the use of the instrument. Parents/guardians will be contacted to inform them of the alcohol problem. Discipline for alcohol use will be administered according to our handbooks.

N. STUDENT VISITORS

P. DRESS CODE POLICY

Rationale: The purpose of Laker Secondary Schools is to be a place where students can learn. Our goal is to help students to become productive citizens in the community, in the

world of work, and in higher education. To prepare for these roles, students must dress and present themselves to others in an appropriate manner that reflects self-respect. In the world of work, how we present ourselves is important and dress codes are commonplace. The same standards apply at school. Dressing appropriately sets the tone for learning and eliminates distractions.

While fashion changes, the reason for attending school does not. Students are enrolled to learn, and the integrity of the teaching/learning process is of paramount importance. Thus, students are expected to dress in a manner that is neither distracting nor disruptive to the educational process. Although personal expression is valued and student dress is a parental responsibility, school personnel will confer with students and parents, and/or take corrective measures as necessary in instances in which dress and grooming are dangerous to safety, detrimental to good health, or so distracting as to interfere with the teaching and learning process.

Dress Code Regulations: The following are the regulations for students at Laker Secondary Schools.

We expect:

1. all students to wear clothing that is appropriate for school.
2. parents to see that students have acceptable grooming and dress prior to their attending classes.
3. shirts and blouses to cover the skin and not expose undergarments, cleavage, lower back and abdomen. While standing straight up with your arms outstretched to the side and parallel to the floor, if bare skin shows in the midriff area front or back, the top is too short and should be changed.
4. slacks, pants, skirts, shorts, sweatpants and warm-ups to be worn around the waistline.
5. *skirts and shorts must be mid-thigh with finger tips extended in length. They may be worn all year long.*
6. students at all times are to wear appropriate foundation garments and under clothing that is not visible to onlookers.

We will not allow students to:

1. attend school if their personal hygiene or clothing endangers their own health or safety or that of others, or interferes in any way with the educational process.
2. wear clothing that displays degrading or obscene language; clothing with pictures or slogans of alcohol, weapons, drugs, or tobacco-related products; clothing with slogans/pictures containing sexual innuendo.
3. wear or display any apparel that is gang related or to wear any items affiliated with hate groups.
4. wear hats, sweatbands or headgear in the building during school hours.
5. wear sunglasses in the building unless the student submits a doctor's note to the office.

6. wear see-through clothing or spandex-like clothing, unless worn beneath another appropriate garment.
7. clothing with holes that reveal skin above the knee.
8. *wear pajamas, bedroom slippers, or blankets*
9. wear spikes, chains or sharp objects.
10. wear tank tops, unless they are part of a school uniform (ie. softball), or worn beneath another appropriate garment.

Dress Code Violations:

1. Students in violation of this policy will be sent to the office by a staff member for correction of the violation.
2. The office will have t-shirts and sweatpants for students to borrow. If a change in attire cannot be accomplished at school, the student will be sent home to make the necessary adjustment (s). If a student is sent home to change, she/he is expected to return to school wearing appropriate clothing.
3. Students who continually violate this policy will face disciplinary action.
4. The building administrator will make the final decision in any case.

Q. SOCIAL FUNCTION PROCEDURES

Chaperones are responsible for the students in the designated area only.

Any other lock placed on lockers will be removed. No item shall be kept in a locker that would endanger the health, safety or welfare of individuals, or would be in violation of the law. The administration of Laker Secondary Schools shall have the authority to conduct a search of any student locker whenever there is reason to believe that the use of such locker may be in violation of a school rule or policy or any other law. Canine searches will be conducted on a regular basis. In the event the search of a specific locker reveals the violation of a criminal law, the administration may solicit the co-operation of the proper law enforcement agencies before making such a search. Laker Secondary Schools is not responsible for personal items left in lockers. No written graffiti or stickers will be permitted on school lockers.
