May 24, 2024

You are invited to apply for the position of Secondary School English Teacher at Laker Schools in Huron County, Michigan. We are a district of just over 1,000 K-12 students with a full complement of extracurricular offerings in the arts, athletics, agriculture, and academic areas. Our English program has a strong staff of instructors who work well together. We use Capturing Kids Hearts to connect with our students and take great pride in seeing each one grow to their personal potential. We recently completed a \$20M improvement project that has provided our staff and students with cutting-edge technology, classrooms, and facilities. Our new Innovation Center for skilled trades and project-based learning, and new Legacy Center fieldhouse are among the best of their kind in the entire state. Our program is well-funded and stable and Laker Schools is a top school of choice destination in Huron County.
