

CDL Class B Passenger School Bus Training

June 16 - 25, 2025 | 8am - 4:30pm

This **five-day, 40-hour training** seamlessly integrates virtual classroom instruction with practical behind-the-wheel experience, delivering comprehensive CDL training. The training includes two days of classroom and three days of in-the-truck training.

- Includes all training materials, and the cost of a commercial learner's permit and one attempt of the state road test.
- Trainees must obtain the DOT medical exam and a personal, non-DOT drug screen at their own expense.
- Behind-the-Wheel training will take place at Harbor Beach Community Schools.
